\$4,991,848.00 for Harrisburg Road soccer complex. The county owns 10 acres of land at the intersection of Harrisburg Road and Calvin Hall Road in Indian Land. The proposed complex will include:

- Two rectangular, synthetic turf fields
- Sports lighting
- Restrooms and concessions facility
- Storage facility
- Bleachers
- Playground

\$5,033,435.00 for Heath Springs soccer complex. The county is currently looking for adequate land opportunities for the complex that will include:

- Two rectangular, synthetic turf fields
- Sports lighting
- Restrooms and concessions facility
- Storage facility
- Bleachers
- Playground

\$2,500,000.00 for partial funding of the Lindsay Pettus Greenway.

If passed, this bond will ensure that we have adequate funding to begin construction of Phase I of the Greenway, which includes the first two miles of the 5+ mile master plan. Phase I also includes the Environmental Education Center--a nature pavilion, parking area, Gills Creek viewing piers, etc. The bond gets us to \$3.9m, as we have raised \$1.4mm already.

\$200,000 for Barr Street Theater improvements.

The Barr Street Theater is home to several community arts organizations, like The Community Playhouse and Hope on the Hill, who use this facility regularly. This bond will assist with a major renovation to include:

- House lighting
 - Stage Theatrical lighting
 - Sound system
-
- Mounted projector and screen
 - Curtains and carpeting of the aisles
 - Lockable control room
 - Removal/masonry closure of windows
